

VEDETTE WHEELS

Are good wheels; they are made by the makers of the great COLUMBIA wheel. We sell them at \$35.00; you get more than your money's worth. We received a few of these wheels and a good stock of the Columbias, Chainless and Chain, by the "MOANA" and they will be on sale after 7 a. m. Monday, May 29th. If applications for wheels are in excess of the number of available wheels they will be assigned pro rata.

Assessable wheels will be sold at \$55.00 and \$65.00 for Columbia Chain, \$90.00 for Columbia Chainless and Vedettes are \$37.50. Paid up wheels are sold at \$5.00 less on the Columbia and \$2.50 less for Vedettes.

This stock (of wheels) will likely be largely oversubscribed; so if you want one apply for ten.

ON A TRIAL TRIP

S. S. City of Columbia Will Sail Around Oahu.

Repaired at an Expenditure of \$5,000—is on the Board to Sail for Hong Kong via Guam.

The City of Columbia is anchored near her old berth in naval row again. Yesterday she was taken to Pacific Mail wharf in front of the pilot's office, where she has obstructed the view for some weeks past, and a full supply of fresh water was pumped into her tanks. When the coaling is finished, which will be commenced today, the Columbia will be in readiness for her trial trip around the island, which will be taken preliminary to her departure for Hongkong via Guam, on June 24th. It is safe to say the unfortunate steamship will not sail tomorrow. For tomorrow is a Friday. But by Saturday or the early part of the week, everything will be given a thorough test. Over \$5000 has been expended on refitting and strengthening the Columbia. The boilers and steam pipes have been overhauled, and the hull is perfectly water tight. The following will be officers of the rejuvenated City of Columbia: T. H. Walker, captain; R. H. Lawton, first officer; T. McMillan, chief engineer; Thomas McLean, first assistant engineer; Dr. Reedy, purser. First Officer Lawton was lately on the Martha Davis, and formerly on the transport Valencia. Chief Engineer McMillan was formerly at Ewa plantation. Dr. Reedy was connected with the military hospital at Independence Park. Upon the showing of the thorough seaworthiness of the Columbia there is little doubt but that a large number of passengers will go to the Orient in her.

The only bicycle factory in the world on one ground floor is that of the Sterling Cycle Works at Kenosha, Wis.

"You look sulky," said the bicycle to the trotting wagon.

"And you seem tired," was the reply.

From start to completion the Sterling wheel travels over a quarter of a mile, through the mouths of 300 machines and the hands of 500 expert workmen. See the P. C. & M. Co.

Buy fair, sell fair, and love the fair. By so doing you will stand a fair chance of leading a fair life.

The Pacific Cycle & Mfg. Co. will sell you a Sterling bicycle, the highest grade wheel ever manufactured, for \$60 on small installments.

"I'll make you dance," cried an irate mother pursuing an erring son, slipper in hand. "Then," remarked the juvenile, "we shall have a brawl."

From all sides and from all quarters of the globe, in all languages, comes reports of the Sterling quality of the Sterling bicycles. See the P. C. & M. Co.

Besides a fine factory and skilled workmen the Sterling wheel can boast of fine material. See the P. C. & M. Co., Fort street.

Japanese Enterprise.

Japanese coffee planters of Kona, Hawaii, intend building a coffee mill near the beach at Kailua. S. Ozaki, of this city, has the agency, and work has already been started. Every one of the four hundred Japanese laborers and planters of Kona are said to be interested in the mill.

Produce Coming In.

The incoming freight of the O. R. and L. Co. has been greatly increased during the last few days. This is because the rice shipments have begun. Every day brings in about ten cars loaded with paddy. The banana and pineapple shipments are also unusually heavy. Yesterday there were about eight carloads of the former fruit alone on the morning freight.

WOULD YOU BELIEVE

The Statement of Some One in New York Quicker Than That of Someone in Honolulu.

Supposing you had a bad back; that is one that was weak, lame or caused you hours of suffering? Sometimes you had headache, and you would feel worn out, listless and played out generally. In such condition what would you most desire? Relief and cure. So would we all and so you can if you will listen to the advice of your neighbors. You may have tried many things without success; perhaps you read of some one in New York who was cured of a similar affection and tried his remedy. The failure may have made you skeptical. What you want in way of proof is the statement of a citizen of your own town, someone you can inquire of how he found relief. Now, that's just the kind of proof we are going to give you here.

Mrs. N. Joseph lives at the corner of Liliha and King streets, this city. She states as follows: "I was troubled for seven months with a lame back, and also suffered from occasional attacks of chills. These various complaints made my condition by no means a happy one, so that I much desired some remedy which would bring relief. This I found in Doan's Backache Kidney Pills, some of which I obtained at the Hollister Drug Co.'s store. I am pleased to say that they gave me not merely temporary but permanent relief and I have not the least hesitancy therefore in recommending Doan's Backache Kidney Pills. They are a good kidney medicine."

Doan's Backache Kidney Pills are for sale by all dealers at 50 cents per box, six boxes \$2.50. Mailed by the Hollister Drug Co., Ltd., Honolulu, wholesale agents for the Hawaiian Islands.
